**Welding
&
Continuing Education Course 2012**

YOU MUST CALL IN ADVANCE TO REGISTER FOR THIS COURSE

The Education Fund is offering a welding course to all Local #110 Building Trades members. This course will also allow members to obtain their eight hours of CEU'S for their Heating, Ventilation and Air Conditioning license.

The welding course will consist of six classes, each of them are scheduled for four hours. Instruction includes basic welding principles, electrical circuits in welding, joint details, welding symbols and practical instruction in the GMAW (MIG) welding process. If a member attends all the classes he/she will receive a certificate to Lowes in the amount of \$25.00.

***** YOU MUST ATTEND ALL CLASSES TO OBTAIN YOUR EIGHT HOURS OF CEU'S*****

Building Trades members of Local 110 interested in enrolling in this course should call the school for availability.

Per Division of HVAC regulations, "Toolbox talks" given on the jobsite are no longer accepted. You must attend classes given by the Education Fund and their approved instructors in order to obtain CEU certificates from our training facility.

Each of these classes are scheduled for four hours, and they are as follows:

Monday, January 16, 2012 — 6:00 PM to 10:00 PM
Saturday, January 21, 2012 — 7:30 AM to 11:30 AM
Monday, January 30, 2012 — 6:00 PM to 10:00 PM
Saturday, February 4, 2012 — 7:30 AM to 11:30 AM
Monday, February 6, 2012 — 6:00 PM to 10:00 PM
Saturday, February 18, 2012 — 7:30 AM to 11:30 AM

To enroll in this course, please call the school at (502) 245-2412 or (877) 245-2412 (toll free). These classes will be held at the Kentucky Institute of Sheet Metal Technology, 810 North English Station Road, Louisville, Kentucky. Please bring your current dues receipt with you to class.
